

Thank you for taking part in our survey. Its purpose is to find out more about the media skills you already have and to identify those acquired through the Media Academy. The survey takes around 15 minutes to complete. If you have any questions, feel free to ask your trainer(s) or other instructors.

This survey is voluntary and anonymous. The GIZ client will not be able to link or associate you, the survey participant, with the responses submitted. Please do not provide any information in the text fields that might enable the identification of any specific individuals. Failure to do so will result in the questionnaire being deleted, and the data will not be analysed. The data provided will not be passed on to third parties.
