Photo-Vox-Pop “Media & Me”

Group members: _____

Create photo-vox-pops about your media preferences:

(1) Plan your photos (10 min)

- Photo 1: Which media do we like to use the most: _____
- Photo 2: What do we like about them:

- Photo 3: What don't we like about them:

(2) Produce your photos (15 min)

Take your photos. Shoot them all either landscape or portrait format. Be creative and keep in mind composition rules, like lighting, background, rule of third and contrast. Do not forget to leave space for the text.

- Photo 1: Photo 2: Photo 3:

(3) Post-produce your photos (15 min)

Now improve your photos and add your message – the text – into each photo. Use an app you know. Save the photos to your gallery.

- Photo 1: Photo 2: Photo 3:

(4) Share your results (5 min)

Now share the results with the trainers:
